

Baked Brie

Source: Cooks Illustrated
Serving Size: 1 wheel of Brie
Prep Time: ~15 min
Cooking Time: ~ 15 min

Directions

- Place cheese on oven proof plate (a pie plate works well).
- Spread top with butter and cover with almonds.
- Bake at 350 degrees for **10-12 minutes**, depending on size. Center should feel soft when you push down with a spoon.
- Serve warm with sliced French bread or crackers.
- Served with fruit (sliced apple), it makes a nice luncheon.

Ingredient List

- 1 (4 or 8 oz.) round of Brie cheese (it must be uncut with the edible white casing intact)
- Butter
- Almonds, slivered
- Sliced French bread or crackers
- 2~3 apples, cut into service slices
